

Fox Chain O'LAKES WATER QUALITY MEETING

Join the Lake County Health Department's Ecological Services Unit (LCHD-ES) to learn about the water quality of the Fox Chain O'Lakes. LCHD-ES sampled 13 lakes in the Fox Chain in 2014 and will present their Water Quality Report. This presentation will include information on aquatic plant surveys, beach data, and water quality of the lakes. The meetings are open to the public. Homeowner associations, recreational lake users, businesses, and lakeshore owners are encouraged to attend.
